III. POLICY TEXT

A. General

The University prohibits discrimination against any person employed; seeking employment; or applying for or engaged in a paid or unpaid internship or training program leading to employment with the University of California on the basis of race, color, national origin, religion, sex, gender, gender expression, gender identity, gender transition status, pregnancy, physical or mental disability, medical condition (cancer-related or genetic characteristics), genetic information (including family medical history), ancestry, marital status, age, sexual orientation, citizenship, or service in the uniformed services, including protected veterans. This policy applies to all employment practices, including recruitment, selection, promotion, transfer, merit increase, salary, training and development, demotion, and separation.

In addition, the University prohibits harassment based on the above protected characteristics of an employee, applicant, paid or unpaid intern, volunteer, person participating in a program leading to employment, or person providing services pursuant to a contract.

If the harassment is sexual in nature, the University's Sexual Violence and Sexual Harassment (SVSH) policy will apply. [Local SVSH resource information](http://sexualviolence.universityofcalifornia.edu/get-help/index.html) can be found at <http://sexualviolence.universityofcalifornia.edu/get-help/index.html>.

This policy is intended to be consistent with applicable state and federal laws and University policies.

B. Retaliation

University policy prohibits retaliation for bringing a complaint of discrimination or harassment pursuant to this policy against any person employed; seeking employment; providing services pursuant to a contract; or applying for or engaged in a paid or unpaid internship, volunteer capacity, or training program leading to employment with the University of California. This policy also prohibits retaliation against a person who assists someone with a complaint of discrimination or harassment, or participates in any manner in an investigation or resolution of a complaint of discrimination or harassment. Retaliation includes threats, intimidation, reprisals, and/or adverse actions related to employment.

C. Complaints

Individuals who believe they have been subjected to discrimination, harassment, or retaliation are encouraged to submit complaints through their local Human Resources office, Affirmative Action/Equal Employment Opportunity office, Academic Personnel office, Labor Relations office, or the University [Whistleblower Hotline](https://www.universityofcalifornia.edu/whistleblower-hotline) (800-403-4744). Complaints will be assigned to the appropriate office or officer for review and investigation.

When the University receives an allegation of discrimination, harassment, or retaliation, it will conduct a fair, timely, and thorough investigation that provides all parties appropriate due process and reaches reasonable conclusions based on the evidence collected. Confidentiality will be kept by the University to the extent possible, but the investigation may not be completely confidential. If the investigation finds discrimination, harassment, or retaliation, appropriate administrators, in consultation with the applicable Affirmative Action/Equal Employment Opportunity office, will take appropriate remedial measures.

D. Affirmative Action

It is the policy of the University to undertake affirmative action, consistent with its obligations as a federal contractor, for minorities and women, for persons with disabilities, and for protected veterans. The University commits itself to apply every good faith effort to achieve prompt and full utilization of minorities and women in all segments of its workforce where deficiencies exist. These efforts conform to all current legal and regulatory requirements, and are consistent with University standards of quality and excellence.

In conformance with federal regulations, written affirmative action plans will be prepared and maintained by each campus of the University, by the Lawrence Berkeley National Laboratory, by the Office of the President, and by the Division of Agriculture and Natural Resources. Such plans will be reviewed and approved by the Office of the President and the Office of the General Counsel before they are officially promulgated.

E. Pay Transparency

The University of California will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or

disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the University, or (c) consistent with the University’s legal duty to furnish information.
